M/S. Green Products Industries W.L.L.
P.O.Box No. 10266
Askar
Kingdom of Bahrain

Dear Sir,

SMART WALL PANEL (THERMAL INSULATION PRODUCT)

Thank you for your submittal dated 28th September, 2017, enclosing product samples, technical details, tested report and International approvals for the following smart wall panel (thermal insulation) manufactured by M/S. **Green Products Industries Kingdom of Bahrain.**

Details: Rigid, poly isocyanurate foam core insulation encapsulated within light weight autoclaved aerated concrete (AAC) faced boards.

As the product / system is tested and certified by the following bodies.

1. Thomas Bell – WRIGHT, International Consultants (UK) test report no. QJ006-2 dated: 19.12.2016.
2. UL (UK) – Reference No. 2017060/- R39130 dated: 01.06.2017.

Therefore, the General Directorate of Civil Defence have no objections to supply and installation of the subjected product/system for the insulation of the external and internal wall.

This certificate is valid up to 17th October 2018.

Yours faithfully,

Colonel
Director Protection & Safety Directorate
General Directorate of Civil Defence
Hamad Ali Al-Ka'abi
